Parent Signature: _____

Student must abide by the following “Pupil Use of Vehicle” requirements per Midland Park
Board of Education Regulation #5514:

- Automobiles **must** be registered through the main office.
- Driving on school ground must not exceed 5 miles per hour.
- District- provided parking placards must be hung on the rear view mirror when student cars are parked and remain visible at all times for security purposes.
- Students will be charged a replacement fee of \$25.00 for lost parking placards.
- Student cars may only be parked in the designated yellow-lined student lot.
- Student cars may not be parked/ left standing in the fire zone, faculty parking zone or area designated for staff and visitors.
- Students may not park on any grass-covered area.

Driving privileges will be revoked for failing to abide by the parking regulations set forth by the school administration. This includes receiving a failing grade in any subjects in one marking period, or for using their car to leave school grounds during the school day without permission.

The Administration reserves the right to suspend or revoke the driving privilege of any student who operates his or her vehicle in an unsafe manner.
